**Violent Crime:** Crimes of violence involve offences that deal with the application or threat of application of force to a person. They include homicide, attempted murder, sexual assault, non-sexual assault, other sexual offences, abduction and robbery. Traffic incidents that result in death or bodily harm are included under Criminal Code Traffic Offences.

**Property Crime:** Property crime involves unlawful acts with the intent of gaining property. It includes actual and attempted break and enter, actual and attempted motor vehicle theft, 'other' theft (i.e. theft from vehicle, shoplifting, theft of bicycle, and other thefts), possession of stolen property, and fraud.

**Criminal Code Traffic:** Includes dangerous driving, impaired driving, refuse breath or blood sample, and failure to remain at the scene of an accident.

**Other Criminal Code Offences:** Includes Criminal Code offences that are not classified as violent, property or traffic offences. Examples are mischief offences, administration of justice offences (e.g. failure to comply with a summons or an appearance notice, bail violations, failure to appear in court) and offensive weapons offences.

The categorization of crime is based on the definition of crime provided by Statistics Canada in their Uniform Crime Reports (UCR).

Due to variable reporting procedures, counterfeiting currency offences have been excluded for all years reported.
